Dear Pauline -

I was out of town, when your appointment to the University Board was announced and have just learned of it - Congratulations! I hope you make those men sit up and take notice - Arthur joins me in the Congratulations - It will be nice to have a Pi Phi, too, on the Board. Last June, when the U. A. was about to purchase the old Pi Phi House, Miss Sudder blocked the procedure by telling them that the house was not fit for girls to

line in - Had you been present
you could have denied that lie -
She surely does pick on our group,
partly because of her school day
rivalry, I guess - In gain Congrats!
and lots of love -

Marion
